

**Department of Medical Microbiology
Medical Microbiology 1st written test**

Dear General Medicine Students,

The 1st written test of the 2nd semester in Medical Microbiology
will take place on:

13 March 2014 (Thursday) 17.00

Topics covered: **Clinical Bacteriology (whole material) and Mycology**

Minimal questions:

Clinical Bacteriology (each question) and Mycology (each question)

Personal identification is required before writing the test (e.g. student's card)!

The students' assignment to the different lecture halls will be announced on the home page of the Department a few days before the test.

Postponers/repeaters of the Final Examination are allowed to write the test without any previous registration.

Debrecen, 19 February 2014

Dr. György Veress
Academic adviser
