

**Department of Medical Microbiology  
Medical Microbiology 4<sup>th</sup> written test**

**Dear General Medicine students,**

**The 2<sup>nd</sup> written test of the 2nd semester in Medical Microbiology**  
will take place on:

**29 April 2014 (Tuesday) 18.00**

Topics covered:

Parasitology, General Virology and Clinical Virology  
(except for arbo- and reboviruses, HIV and tumor viruses)

Short-answer ('minimal') questions: Parasitology (questions 1 - 36) and  
Virology (questions 1 - 64).

**Personal identification is required** (e.g. student's card)!

*The students' assignment to the different lecture halls will be announced on the home page of the Department a few days before the test.*

Postponers or repeaters of the Final Examination are allowed to write the test without any previous registration, in the lecture halls assigned to them.

Debrecen, 20 March 2014

Dr. György Veress  
Academic adviser
