

## **Microbiology for Dentistry Students**

### **Requirements:**

Participation in the practical courses is obligatory. The Department may refuse to sign the students' Lecture book if they are absent from more than two practices or seminars in a semester.

At the end of the semester the student is required to take a final examination (consisting of a written entry test and an oral examination) based on the whole material (lectures, practices and book) taught in the Microbiology for Dentistry course.

### Compulsory reading:

Lakshman Samaranayake: Essential Microbiology for Dentistry, fourth edition (2012)

### Recommended reading:

W. Levison : Review of Medical Microbiology and Immunology. 11<sup>th</sup> edition, Lange (2010)

1 September 2014

Dr. József Kónya  
Head of the Department
